

NINE WEEKS PROJECT: Private lessons
Please **print** clearly.

Student: _____

Teacher: _____

Over the past nine weeks (approximately), how often did you meet, and/or for how many hours?

What sorts of things are you working on?

Check one to summarize this student's progress over the past nine weeks (approximately):

_____ This student has excellent work habits and is improving very well.

_____ This student has good work habits and is improving well.

_____ This student has marginal work habits and isn't improving as well as I'd like.

_____ This student has poor work habits and is not improving much at all.
